## BusinessObjects – QuickSTART

Quickly leverage the applications, data sources, and platforms your company already has to deliver dramatically improved:

- Operational Reporting
- Flexible Ad Hoc Reporting & analysis
- Dashboards & Visualization
- Data Quality
- Budgeting
- Financial Consolidations
- Strategic Planning

Answerthink will complete a high-level assessment and develop a roadmap to deploy a business intelligence solution enabled by BusinessObjects based on your unique business needs and our established best practices.

As part of our **QuickSTART service**, our experienced consultants will:

- **Perform a High-Level Assessment** of your existing landscape, architecture and capabilities.
- **Identify Key Performance Indicators** and business drivers.
- **Highlight the capabilities of Business Intelligence** to your IT and business stakeholders.
- **Provide actionable data from our assessment** with our recommendations for a roadmap to success.

## Improving your company's efficiency and effectiveness, no matter its size.

## The Answerthink Advantage

A HACKETT GROUP COMPANY
